**Principle Three: Fundraising as an Activity is Valued**
The Board Directors and senior management will provide ethical and accountable leadership in all Fundraising, and mentor less senior colleagues (including volunteers) engaged in Fundraising.

**Principle Four: Donors’ Rights**
The reputation and privacy of all Donors will be honoured and protected, and Donors will be entitled to information about:
- TMBF’s Values, Vision and Mission;
- TMBF’s legal status, including in regard to taxation matters;
- The position, and any perceived or actual conflicts of interest, of TMBF’s personnel involved in soliciting and managing the donation.

Silver, Gold and Platinum Donors will also be entitled to information about the manner in which the donation is to be used, and how the donation was used once fully expensed.
